Policy 5: Village Centre

Development proposals that will result in the loss of any village centre uses will be resisted unless:

- the village centre unit has been vacant for at least two years;
- it can be demonstrated that all reasonable efforts have been to secure another village centre use;
- a viability appraisal can demonstrate there is no reasonable prospect of the unit becoming commercially viable.

Proposals for a change of use of a building or for the development of land within the village centre for commercial use will be supported, provided they accord with the design policies of the Neighbourhood Plan and Mid Sussex development plan & they will conserve and enhance the landscape and natural beauty of the AONB.
